

As part of the Sesquicentennial celebration in honor of the incorporation of the Town of Tazewell in 1866, a special commemorative Monopoly board game will be released in the Fall of 2016. Our board spaces are full thanks to the wonderful support of our citizens, but we are pleased to offer an additional sponsorship opportunity to the community and businesses by including special “Sponsors” and “In Memory Of” sections on the back of the game box. For \$25, you can list up the 30 characters of text (examples: your business name, your community group name, a loved one’s name, etc.), which will be seen each time the game is played. Payment and information must be received by **August 26** to be included.
