

Lincolnshire Park

in partnership with Tazewell Today
Lincolnshire Park, North Tazewell, VA

Leave a Legacy by Giving the Gift of Play

There is nothing that brings people together quite like a park filled with purposefully designed elements like a playground, fitness area and splash pad for people of all ages and abilities. COVID-19 has shed light on how essential green spaces are for families - a place to maintain physical activity, to have fun with friends, to create lasting memories and to alleviate stress. Health, wellness, life enrichment and the strong sense of community are very important for the community of Tazewell. We anticipate the new park development to make a lasting impact on our resident's physical and mental health but also to help boost our economy by attracting visitors from near and far.

We invite you to be a part of our play campaign by making a tax-deductible gift to our non-profit partner, Tazewell Today. Your gift will enable members of our community to yield the valuable benefits of play and fitness that will stay with them for a lifetime.

"Recreation, especially now, is essential in the development of children parent relationships. Not only is it a healthy form for the children to go out and be active, but it gives the parents/guardians the chance to open a new form of bonding and personal connection with the child. We are in a day and age where technology has taken over and caused us to forget that our best memories growing up almost always reflect a recreational atmosphere with friends and family. It is time to bring that back."

-Ruben (Ben) Rosado -Town of Tazewell Parks and Recreation Director
